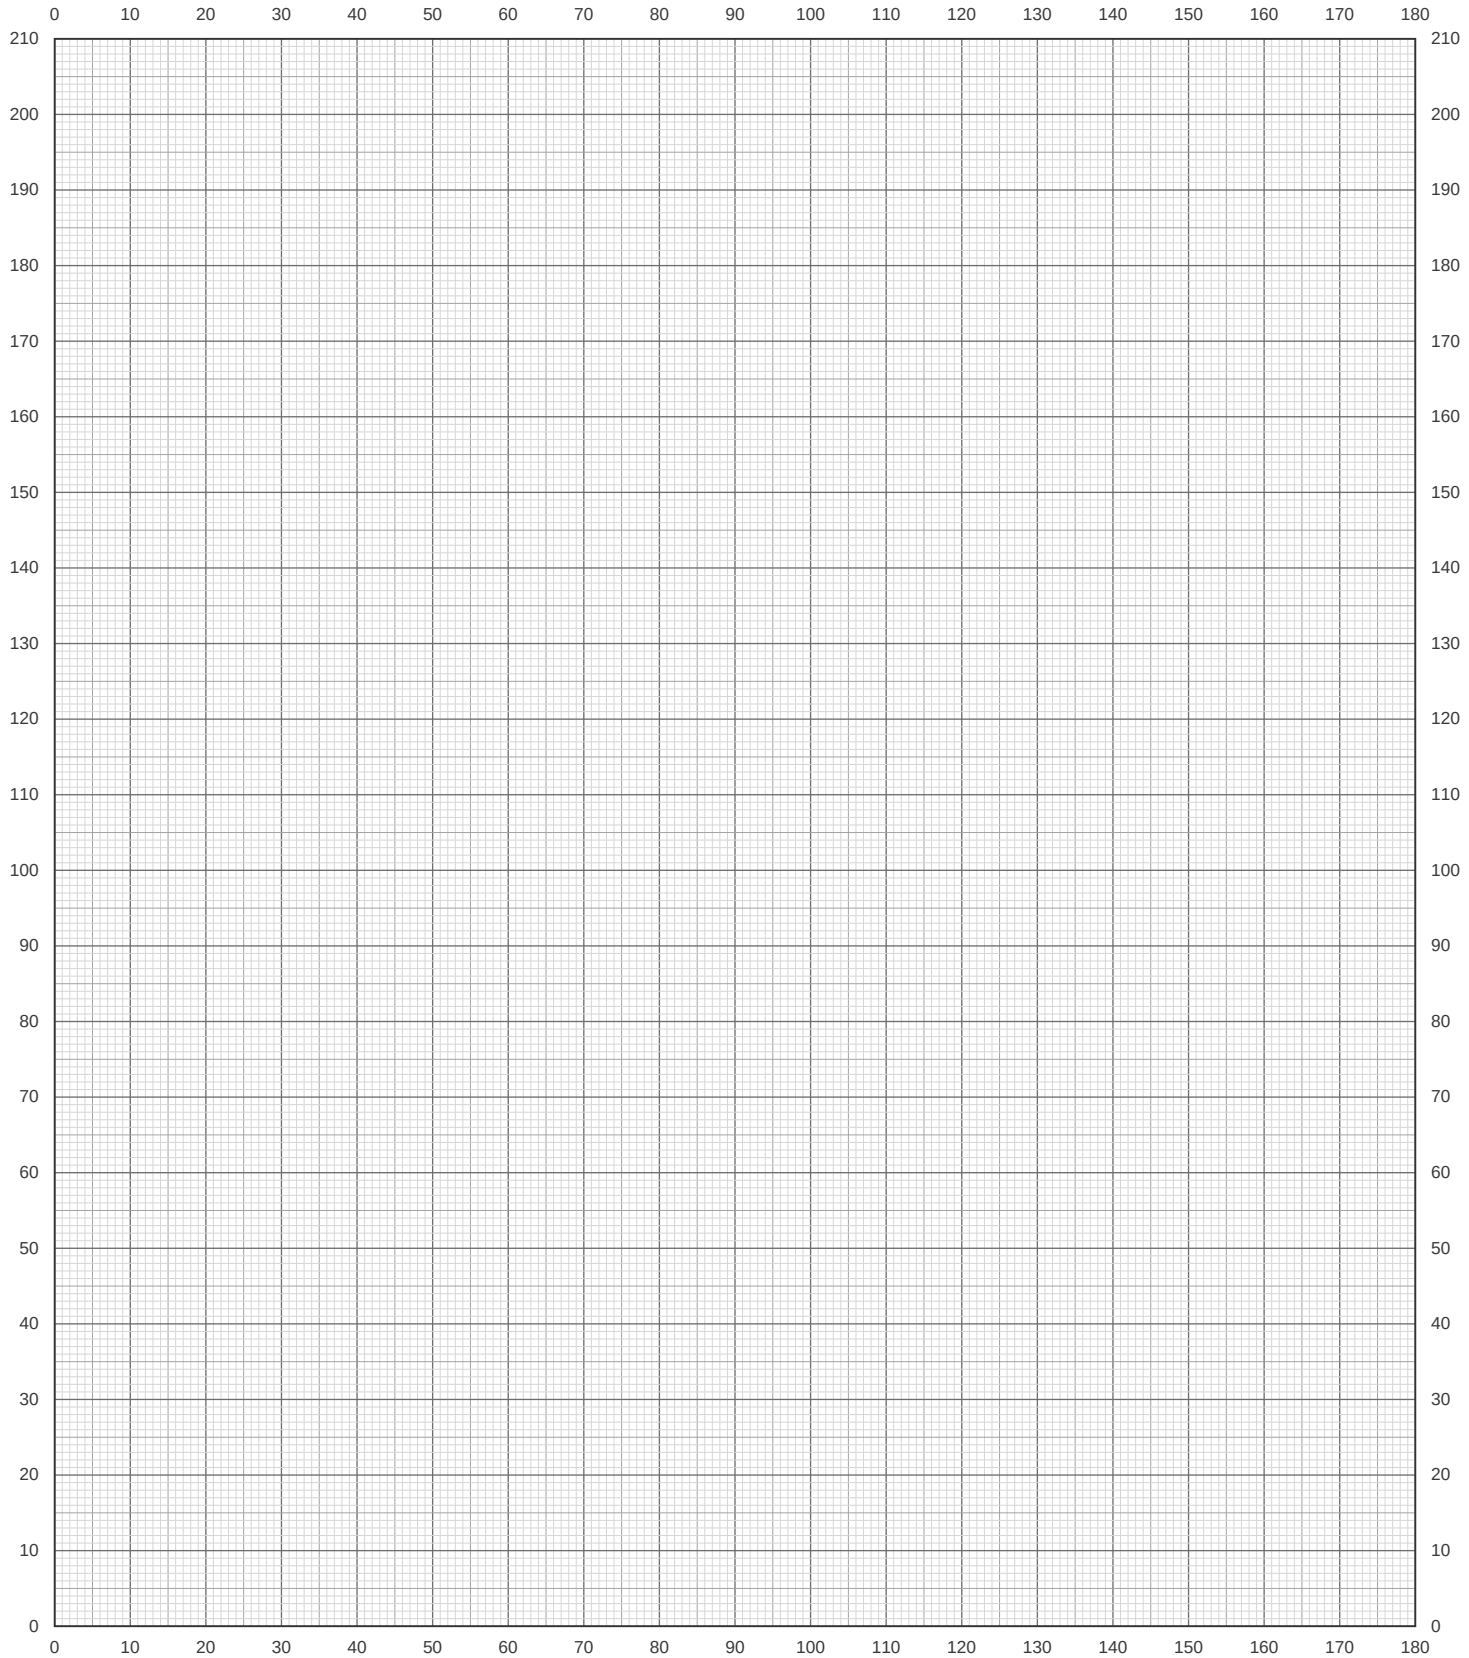
CONTOUR TRACING GRID

Profile ID: _____ Actual station / height: _____

Direction: _____ Repeat: _____ Date: _____ Pin spacing: _____

US Letter | Print at Actual size / 100% | 1 mm squares; heavier lines every 5 and 10 mm



100 mm - measure between the end ticks

Check this bar with a ruler.
Also check 100 mm vertically.

Draw the console pad baseline and direction on your trace. Grid numbers are paper coordinates.
